

## Confirmation Class Schedule 2019

Blessed Christmas and Happy New Year! Assisting in worship services is important for Christian life and service. Be prepared to sign up for assisting in church once a month (**January to May**) with serving Holy Communion, receiving the offering plates, helping with noisy offering, praying and candle lighting during worship. Please make your very best effort to be here those Sundays as we count on your kid's participation. This group of kids makes our hearts proud every time they assist, too. Keep up the good work!
